

Durham College Residence Virtual Tour Written Description.

Central Hall, Simcoe Village Residence

This description is provided for users that are using screen-readers or cannot access the 3D Virtual Tour.

The linked Virtual Tour is for Durham College/Ontario Tech University two-bed open concept room in Simcoe Village Central Hall. This suite has been decorated to look like it is occupied.

You enter the room into a kitchen area. To your right is a kitchen table with two chairs. There's a microwave, along with some counter space and a sink. There's kitchen cabinetry above and below the counter space. On the wall towards the sleeping area is a full-size fridge.

To the left of the entrance is a three-piece washroom. There is a stand-up shower, a toilet, and a vanity with mirror and sink.

Straight ahead from the entrance are two double XL beds – they're the same width as a double, but as long as a queen-sized bed. By each bed is a clothes rack with a shelf above. To the right of the beds is a TV, as well as two separate dressers, desks and chairs.

Should you have any questions about this tour, or any residence facilities, please contact the residence directly.
